FORT ST. JOHN HOSPITAL AND RESIDENTIAL CARE PROJECT

ISL Health

ISL Health is a consortium that combines the strength, innovation and experience of B.C. based construction and architectural firms with international companies that have come together to deliver state-of-the-art health care facilities. Members of the ISL Health team include:

- Innisfree Limited.
- Acciona S.A.
- Acciona Infrastructures Canada Ltd.
- Stuart Olson Constructors Inc.
- Cannon Design.
- Health Care Projects (Canada).
- ACML Management Western Limited.

Evaluation Process

The evaluation process, which included both clinical and non-clinical representatives of Northern Health and Partnerships BC, evaluated the proposals submitted under the RFP. The evaluation committee appointed three specialist sub-teams to assist in the evaluation of the proposals as follows:

- Design and construction.
- Services.
- Financial and commercial.

The total cost for the project will be finalized when negotiations have concluded. Once a project agreement has been signed, a project report summarizing the value for taxpayer dollars achieved will be released.
