

APPENDIX 4H

ENVIRONMENTAL AND SUSTAINABILITY SERVICES

PART 1. ENVIRONMENTAL AND SUSTAINABILITY SERVICES

1.1 General Requirements

1.1.1 Project Co will perform the Environmental and Sustainability Services in compliance with the Authority Policies and Procedures, including the Authority's Environmental Stewardship Policy and in compliance with the ISO 14001 certified Environmental Management System.

1.1.2 Project Co will provide an annual compliance statement with respect to the Environmental Management Plan in accordance with Section 3.12.1[Environmental Management Plan and System] of Schedule 4 [Services Protocols and Specifications].

1.2 Scope of Services

1.2.1 The general scope of the Environmental and Sustainability Services is:

1.1.1.1 maintenance of a safe, compliant, working environment for the Facility through the use of processes, practices, materials, supplies and products that avoid or minimize the production of pollutants and waste thereby reducing the overall impact to human health systems, building components, life cycle and the environment; and

1.1.1.2 utilization of recognized risk assessment/management systems to ensure that standards are maintained in the performance of the Services, and that any adverse variance is recognized and corrected.

1.1.2 Project Co will perform the Environmental and Sustainability Services on a scheduled and demand basis to ensure that performance of the Services does not cause or create any safety or environmental hazard to the environment and/or any person in the Facility or on the Site, and minimizes disruption to the Authority Activities. Project Co will also assist the Authority in preparation of the annual reports regarding the Climate Action Secretariat.
