

APPENDIX 3F(v) North Island Hospitals Project - Information Systems Responsibility Summary									
Section Ref #	Information System Heading	IMIT Categorisation			Interface Requirements	Service Level	Systems Operation - Operating Period		
		Software and Server	Infrastructure	Interface			End User Administration	Systems Lifecycle	
7.8.5	Telecommunications Infrastructure	A	A	A	see system specific requirements	Platinum	see system specific requirements	see system specific requirements	
7.8.7	Telecommunication Equipment Room:	A	A	A	see system specific requirements	Platinum	see system specific requirements	see system specific requirements	
7.8.7.1(16)	Equipment Racks	A	A	A	see system specific requirements	Platinum	see system specific requirements	see system specific requirements	
7.8.8	Structured Cabling	NA	A	A	NA	Gold	NA	not specified	
7.8.10	Authority Network	D	A	E	per individual system requirements	Gold	Authority	5 years	
7.8.11	Authority Servers	C	A	NA	None	Gold	Authority	5 years	
7.8.12	Project Co Servers	A	A	A	As determined by Project Co	Highest level of any system	ProCo	5 years	
7.8.13	Telephone Equipmen	C	A	C	per individual system requirements	Gold	Authority	5 years	
7.8.14	Cellular Services	A	A	A	NA	Gold	ProCo	14 years	
7.8.15	Wireless Network	D	A (Authority will procure WAPs)	A	Staff Communication System, Authority Networks, Telephone System, Wireless Management System, Project Co End User Devices	Gold	see system specific requirements	not specified	
7.8.16	Staff Communication system	C	A	A	Authority Network, Wireless Network, Nurse Call, Intercommunication System, Fire Alarm, Telephone, Fire Alarm, Connexall	Bronze	Authority	5 years	
7.8.17	Public Address	A	A	A	Access Controls, Staff Communication Systems	Gold	Authority	14 years	
7.8.18	Intercommunication System	A	A	A	Access Controls, Staff Communication Systems	Bronze	Authority	14 years	
7.8.19	Video Conferencing and Telehealth	C	A	A	Lighting, Authority Network, Telephone Equipment, BAS, Window Blinds	Gold	Authority	5 years	
7.8.20	Real Time Location Systems (RTLS)	A	A	A	Wireless Network, Nurse Call, Patient Education, Patient Entertainment system, Cermer, RTLS, Cermer, Access Control, CCTV, CMMS, VFA	Gold	Authority	14 years	
7.8.21	Equipment and Asset Tracking	A	A	A	RTLS, Cermer, Access Control, CCTV, CMMS, VFA	Gold	Authority	14 years	
7.8.22	Patient Tracking / Wandering	A	A	A	RTLS, Cermer, Access Control, CCTV, Staff Communication System, Dementia System, Elevator	Gold	Authority	14 years	
7.8.23	Dementia Monitoring System	A	A	A	Cermer, Staff Communication System, Nurse Call, Patient Tracking / Wandering	Gold	Authority	14 years	
7.8.24	Radio System	E	A	A	Telephone Equipment, Authority Network, RTLS, Staff Duress, Fixed Panic, Fire Alarm	Gold	Authority	7 years (Authority will lifecycle portable 2-way radios)	
7.8.25	Paging System	E	A	A	Telephone Equipment, Authority Network	Gold	Authority	7 years	
7.8.26	Patient Entertainment System	E	A	A	Cermer, RTLS, Patient Education, Smartbeds, Nurse Call, Telehealth, Patient/Staff Assignments, Telephone Equipment.	Bronze	Authority	not specified	
7.8.27	Patient Education System	D	A	A	Cermer, RTLS, Patient Education, Smartbeds, Nurse Call, Telehealth, Patient/Staff Assignments, Telephone Equipment.	Gold	Authority	not specified	
7.8.28	Nurse Call System	A	A	A	Cermer, RTLS, Patient Education, Patient Entertainment, Physiological/Patient Monitor Smartbeds, Infant Abduction, Connexall, Staff Communication System, Code Blue System, Fire alarm, TeleTracking, Nurse Call Reporting Database, ADT Integration, Electronic Clinical Status Board, Patient/Staff Assignments, Paging System, Help Desk, VoIP/Telephone System, Radio System, Access Controls, Public Address System, Elevator Controls.	Gold	ProCo	14 years	
7.9.2	Fire Alarm System	A	A	A	Public Address system, Elevator system, Building Management System, Nurse Call system, Staff Communication System, Paging system, Connexall, Access Controls, Telephone System, Radio	Platinum	ProCo	25 years	
7.9.4	Access Controls	E	A	A	Fire alarm system, Nurse Call/Code Blue, Building Management system, Elevator, RTLS, Patient Tracking / Wandering, Infant Abduction, Staff Duress, Fixed Panic system, Intercommunication System, Intrusion Alarm, CCTV, HR Systems, Connexall	Gold	Authority	14 years	
7.9.5	Fixed Panic System	A	A	A	RTLS, Access Controls, Nurse Call, Radio system, Switchboard, Telephone system, Connexall, Staff Communication System, Authority's Network	Gold	Authority	14 years	
7.9.6	Staff Duress system	A	A	A	RTLS wireless network, nurse call, patient education/entertainment system, cermer, access control, CCTV	Gold	Authority	14 years	
7.9.7	Infant Abduction	A	A	A	CCTV, Access Controls, Radio System, Status Boards, Staff Communication system, Elevators	Gold	Authority	14 years	
7.9.8	Intrusion Detection	A	A	A	Telephone System, Access Controls, Radio System, Authority's Network	Bronze	Authority	14 years	
7.9.9	CCTV	A	A (this includes	A	Authority's Network, RTLS, Infant Abduction, Patient Tracking / Wandering, Staff	Gold	Authority	5 years
