1 INTRODUCTION

1.1 PURPOSE OF THIS RFP

The purpose of this request for proposals (“**RFP**”) is to invite eligible Proponents to prepare and submit Proposals to design and build the Nanaimo Correctional Centre Replacement Project (the “**Project**”) under a design-build agreement (the “**Design-Build Agreement**”).

1.2 ELIGIBILITY TO PARTICIPATE IN THIS RFP

Through a request for qualifications (“**RFQ**”) issued June 10, 2019 by the Ministry of Citizens’ Services (“**CITZ**”) and the Ministry of Public Safety and Solicitor General (“**PSSG**”) (collectively, the “**Owner**”), the following design-builders are qualified to participate in this RFP:

- Bird Design-Build Construction Inc.;
- Pomerleau Kinetic Joint Venture (Pomerleau Inc. and Kinetic Construction Ltd.); and

Stuart Olson Construction Ltd.

Only these three Proponents, subject to changes in Proponent Team membership as permitted by this RFP, may submit Proposals or otherwise participate in this RFP.

2.2 COLLABORATIVE MEETINGS

The Owner will make available certain of its personnel, consultants and advisors (the “**Owner Representatives**”) to participate in collaborative discussions with the Proponents (the “**Collaborative Meetings**”). The Owner expects the Collaborative Meetings to take place as follows:

- (a) the purpose of the Collaborative Meetings is to provide a process that will assist the Proponents to develop optimal solutions for the Project while minimizing the risk that a Proponent's solution is unresponsive to the Owner's requirements, and in particular:
 - (1) to permit the Proponent's representatives to provide the Owner Representatives with comments and feedback on material issues such as affordability or provisions of the Initial Draft Design-Build Agreement; and
 - (2) to permit a Proponent to discuss with the Owner potential solutions and approaches that the Proponent may be considering for various aspects of its Proposal;

- (b) in advance of each Collaborative Meeting, and no later than the Submission Time for Collaborative Meeting 1, Submission Time for Collaborative Meeting 2, and Submission Time for Collaborative Meeting 3, each Proponent is strongly encouraged to provide the Owner with:
- (1) a proposed meeting agenda (including any consultants and advisors a Proponent would like in attendance from the Owner Representatives); and
 - (2) a list of prioritized issues the Proponent would like to discuss, and any materials relevant to such issues;

Materials not submitted by the Submission Time for Collaborative Meeting 1, Submission Time for Collaborative Meeting 2, and Submission Time for Collaborative Meeting 3, may not be reviewed by the Owner.

The Owner may provide Proponents with comments on the agenda and a list of any prioritized issues the Owner would like to discuss.

An example of the structure of the Collaborative Meetings, as well as an agenda and suggested submission items, are included in Appendix K;

- (c) the Owner will determine which Owner Representatives will be present at any Collaborative Meeting;
- (d) except as may be expressly stated otherwise in this RFP, including Section 10.5, the Owner will retain all information received from a Proponent during a Collaborative Meeting(s) as strictly confidential, and will not disclose such information to the other Proponents or any third party. The Owner may disclose such information to its consultants and advisors who are assisting or advising the Owner with respect to the Project;
- (e) at each Collaborative Meeting, a Proponent may have such officers, directors, employees, consultants and agents of the Proponent and the Proponent Team members present as the Proponent considers reasonably necessary for effective communication with the Owner and to fulfil the objectives of the Collaborative Meeting provided that the Owner may, in its discretion, limit the number of participants at any one meeting. Participation in Collaborative Meetings is in person;
- (f) to facilitate free and open discussion at the Collaborative Meetings, Proponents should note that any comments provided by or on behalf of the Owner during any Collaborative Meeting, including in respect of any particular matter raised by a Proponent or which is included in any documents or information provided by a Proponent prior to or during the Collaborative Meeting, and any positive or negative views, encouragement or endorsements expressed by or on behalf of the Owner during the Collaborative Meetings to anything said or provided by Proponents, will not in any way

bind the Owner and will not be deemed or considered to be an indication of a preference by the Owner even if adopted by the Proponent;

- (g) if for the purposes of the preparation of its Proposal a Proponent wishes to rely upon anything said or indicated at a Collaborative Meeting, then the Proponent must submit an Enquiry describing the information it would like to have confirmed and request that the Owner provide that information to the Proponent in written form and, if such information relates to a clarification, explanation or change to a provision of this RFP or the Design-Build Agreement, request an Addendum to this RFP clarifying and amending the provision in question;
- (h) by participating in the Collaborative Meetings a Proponent confirms its agreement with these procedures and acknowledges that the meetings are an integral part of the procurement process as described in this RFP and are in the interests of all parties;
- (i) the Owner anticipates holding three Collaborative Meetings with each Proponent prior to the Submission Time for Financial Submissions. Following the release of the RFP, the Owner will consult with each Proponent to confirm specific dates for Collaborative Meetings. If the Owner considers it desirable or necessary to schedule additional or fewer Collaborative Meetings, the Owner may, in its discretion, amend the anticipated schedule;
- (j) Proponents may request that the Owner schedule additional Collaborative Meetings on specific topics by providing the request in writing to the Contact Person with proposed dates and details of the topic or topics to be discussed; and
- (k) It is expected that Collaborative Meeting #1 will be held in Nanaimo, B.C. with the remainder held in Vancouver, B.C.

2.3 BUSINESS-TO-BUSINESS NETWORKING SESSION

The Owner intends to coordinate a session with Proponent Teams and local contractors, suppliers and businesses (“**Business-to-Business Networking Session**”) to provide an opportunity for:

- (a) local contractors, suppliers, businesses and potential employees who might be interested in working with, or providing products and services to, the Preferred Proponent to meet the Proponent Teams; and
- (b) Proponent Teams to enhance their knowledge, understanding and awareness of local goods, labour pool and services and to build relationships with local contractors, suppliers and businesses.

2.4 COMMENTS ON THE DESIGN-BUILD AGREEMENT

Each Proponent should review the Initial Draft Design-Build Agreement for the purpose of identifying any issues or provisions that the Proponent would like to see clarified or amended. Following such review:

- (a) the Owner will invite Proponents as part of the Collaborative Meeting process to discuss possible clarifications or amendments to the Initial Draft Design-Build Agreement, including with respect to commercial, legal, and design and construction aspects of the Project;
- (b) each Proponent should, by the Submission Time for Collaborative Meeting 1, Submission Time for Collaborative Meeting 2, and Submission Time for Collaborative Meeting 3, provide the Owner with a prioritized list of requested changes, if any, to the Initial Draft Design-Build Agreement using the Proponent Comments Form attached as Appendix E, together with the agenda and issues list described in Appendix K; and
- (c) the Owner will consider all comments and requested clarifications or amendments received from the Proponents in the Collaborative Meetings and may respond to some or all of the comments received, and will amend the Initial Draft Design-Build Agreement as the Owner may determine in its discretion.

Prior to the Submission Time for Technical Submissions, the Owner intends to issue by Addendum one or more revised drafts of the Design-Build Agreement, including one that will be identified as the final draft design-build agreement (the “**Final Draft Design-Build Agreement**”). The Owner may further modify the Final Draft Design-Build Agreement by Addendum prior to the Submission Time for Financial Submissions. The Final Draft Design-Build Agreement will be the common basis for the preparation of all Proposals, and Proponents should not in their Proposal make any modifications, changes or additions to the Final Draft Design-Build Agreement except for modifications, changes or additions to the Statement of Requirements as provided for in Section 4.3 or modifications, changes or additions provided for in Section 8.2.

2.5 DATA ROOM

The Owner has established a website to be used as an electronic data room (the “**Data Room**”) in which it has placed documents in the possession of the Owner that the Owner has identified as relevant to the Project, and that may be useful to Proponents. The Owner does not make any representation as to the relevance, accuracy or completeness of any of the information available in the Data Room except as the Owner may advise in writing with respect to a specific document. The Owner will grant Proponents access to the Data Room and will require Proponents to execute an agreement to keep information contained in the Data Room confidential.

The information in the Data Room may be supplemented or updated from time to time. Although the Owner will attempt to notify Proponents of all updates, Proponents are solely responsible for ensuring they check the Data Room frequently for updates and to ensure the information used by the Proponents is the most current, updated information.

2.6 INTERIM FINANCIAL REVIEW SUBMISSION

It is in the interests of the Owner and all Proponents to identify at an early stage of the procurement whether the Project, as defined in this RFP, is affordable within the limits set out in Section 4. Accordingly, as part of Collaborative Meeting 3, Proponents and the Owner will conduct an interim financial review as follows:

- (a) the purpose of the interim financial review is to give early warning of any difficulty in staying within the Design-Build Price Ceiling, and to permit the Owner and the Proponents to consider and implement steps so that the Competitive Selection Process can proceed with confidence that Proposals will be within the Design-Build Price Ceiling;
- (b) prior to the Submission Time for Interim Financial Review Submissions, each Proponent should submit to the Owner its best estimate of the anticipated Nominal Cost of the Proposal, as calculated in accordance with Form A1 of Appendix B. While not prescribing the form of the submission, the Owner is expecting it to be no more than 10 pages in length and to include cost and input assumptions in sufficient detail to allow the Owner to understand the Proponent's cost base (with at least all major cost headings included);
- (c) the Owner will retain the Interim Financial Review Submission as strictly confidential, and will invite each Proponent, as part of Collaborative Meeting 2, to discuss any aspect of its Interim Financial Review Submission, including any recommendations for amendment of the Project requirements if a Proponent determines that the Project as described will exceed the Design-Build Price Ceiling; and
- (d) unless expressly referred to or included by reference in its Proposal, a Proponent's Interim Financial Review Submission will not be considered part of its Proposal and the Owner will not consider or evaluate it as to adequacy, quality, content or otherwise.

The Owner understands that the values indicated in a Proponent's Interim Financial Review Submission are not a commitment and that all aspects could change in the final Proposal.

2.7 PROPONENT'S CONTACT REPRESENTATIVE

The Owner intends to communicate solely with the Proponent's Contact Representative, and may disregard communications from other persons on behalf of the Proponent during the Competitive Selection Process.

Although the Owner may rely on the Proponent's Contact Representative's authority to bind the Proponent, execution of documents by the Proponent's Contact Representative is not required, and the Owner can assume that any document submitted by the Proponent, and any signature thereon (if applicable) on behalf of the Proponent has been appropriately authorized.

3 KEY PROJECT ELEMENTS

Any description or overview of the Initial Draft Design-Build Agreement or the Final Draft Design-Build Agreement in this RFP is provided for convenience only and does not replace, supersede, supplement or alter the Initial Draft Design-Build Agreement or the Final Draft Design-Build Agreement. If there are any inconsistencies between the terms of the Final Draft Design-Build Agreement and the description or overview of those terms set out in this RFP or the Initial Draft Design-Build Agreement, the terms of the Final Draft Design-Build Agreement will prevail.

3.1 DESIGN-BUILDER

The Design-Builder will be responsible for all aspects of the Project in accordance with the Design-Build Agreement. This includes:

- (a) Design and construction of the new Nanaimo Correctional Centre (“**NCC**”), including connections to necessary utilities and off-site services as directed by the City of Nanaimo (the “**City**”);
- (a) All associated permitting;
- (b) Purchase and installation of facility equipment and furniture;
- (c) Deconstruction of the existing NCC, including the abatement of any hazardous building materials; and
- (d) Final site development and commissioning of the new Facility.

3.2 SCHEDULE

The Design-Builder will be responsible for achieving Substantial Completion of the Buildings and Substantial Completion of the Project on or before the Design-Builder’s proposed target dates. Substantial Completion of the Buildings should be no earlier than May 1, 2022 and must be no later than December 16, 2022. The proposed Substantial Completion of the Project is expected to be within 12 months of Substantial Completion of the Buildings.

3.3 MUNICIPAL APPROVALS

In accordance with the Design-Build Agreement, the Design-Builder will be responsible for obtaining all permits and approvals required for the design and construction of the Facility, and to ensure that its design for and construction of the Facility complies with all Laws, including the applicable zoning and related City requirements.

The Owner has initiated preliminary discussions with respect to City requirements for the Project and the Competitive Selection Process as follows:

- (a) off-site requirements;
- (b) design guidelines; and
- (c) advisory design panel requirements.

Pursuant to the Design-Build Agreement, the Design-Builder will have the responsibility to obtain a development permit from the City as required for the Design-Builder's design of the Facility, and to obtain the City's approval for utility connections and other matters. The Design-Builder may, at its risk, seek zoning variances or permit modifications for the benefit of its design and Proposal.

3.4 FIRST NATIONS PROTOCOLS AGREEMENTS

The Owner has negotiated protocol agreements with each of the Identified Indigenous Groups to support the design, construction and future operations of the new NCC (the "**Protocol Agreements**"). Within the Protocol Agreements, the Owner has committed to provide work opportunities to each Identified Indigenous Group. The Design-Builder will be required to work directly with each Identified Indigenous Group to facilitate the Owner's commitments as described within the Protocol Agreements. Relevant sections of the Protocol Agreements are included in the Design-Build Agreement.

3.5 STAKEHOLDER COMMUNICATIONS

Each Proponent will have the opportunity to meet separately and confidentially with representatives from the City. Proponents may request such meetings with the City through the Contact Person prior to the Submission Time for Technical Submissions to allow Proponents to obtain information they may require for the preparation of Proposals. All Proponent meetings with the City may include an Owner representative, at the Owner's discretion, and will be coordinated through the Contact Person.

Proponents may contact each Identified Indigenous Group directly with regard to products and services available by or through them. Requests for information from, or meetings with, the Identified Indigenous Groups in respect of all other matters must be submitted to the Contact Person through the Enquiry process outlined in Section 6.6.

3.6 GEOTECHNICAL AND ENVIRONMENTAL

The following investigations and reports have been completed to date, and information is available to Proponents in the Data Room:

- (a) the Owner has undertaken a legal survey that includes topographical and underground service location information ;
- (b) a geotechnical report;

- (c) a hazardous materials analysis; and
- (d) a detailed site investigation report containing stage 1 and stage 2 environmental reports.

The investigations and reports outlined in Section 3.6 of this RFP are limited to a factual record of materials and groundwater encountered at certain locations and elevations. If the Design-Builder chooses to rely in any way on the investigations and reports outlined in Section 3.6, the Design-Builder will be deemed to have assumed and accepted all risks that the information as disclosed in the investigation and reports may not accurately or completely describe actual Site conditions including geotechnical, environmental, or soil conditions (including risk of boulders, rock and low strength soil) and ground water conditions (including risk of underground streams or water table conditions).

3.7 SITE CONSIDERATIONS

The Owner will facilitate a site meeting with each Proponent separately for the purpose of answering questions related to Site conditions. In submitting a Proposal, Proponents are to confirm they understand the existing conditions, critical dimensions and limitations of the Site.

3.8 SPACE REQUIREMENTS AND INDICATIVE DESIGN

The Design-Builder will be required to design and construct the Facility to accommodate the spaces, activities, functions, design features and adjacencies described in the Initial Draft Design-Build Agreement.

The Indicative Design reflects program areas and significant design. Functionality has been reviewed with Facility users who have provided input on the general layout, adjacencies, and staff flows. The Indicative Design should not be relied on by Proponents. It is for illustrative and general guidance purposes only and does not relieve the Design-Builder in any way of all responsibility for the design of the Facility. The Owner does not warrant or guarantee that the Indicative Design fulfills the requirements of the Design-Build Agreement.

Drawings describing the Indicative Design for the Facility are available in the Data Room.

3.9 EQUIPMENT

The Design-Builder will complete the Facility to accommodate equipment, including all required electrical and plumbing connections, structural support, seismic restraints, and space for efficient access, all to the tolerances and specifications as may be specified and required by the manufacturers or suppliers of the equipment, and in accordance with the Design-Build Agreement.

The equipment roles and responsibilities, as well as an equipment list, are provided as an appendix to the Statement of Requirements. The Design-Builder is required to coordinate equipment installation with the

building construction schedule while allowing delivery/installation as close to Substantial Completion as possible. All equipment that is Design-Builder installed must to be completed prior to Substantial Completion unless otherwise noted in the equipment list.

3.10 LEED®/ENERGY

The Design-Builder will be required to achieve LEED® Gold Certification for the Facility. The Owner intends to register the Project with the US Green Building Council (USGBC) LEED v4.0 for Building Design and Construction.

3.11 WOOD FIRST

The Design-Builder will comply with the requirements of the Wood First Act (British Columbia).

3.12 APPRENTICES ON PUBLIC PROJECTS IN BRITISH COLUMBIA

The Design-Builder will be required to comply with the Province's "Apprentices on Public Projects in British Columbia Policy and Procedures Guidelines" ("**Apprentices Guidelines**") in providing apprenticeships and skills training opportunities. The Apprentices Guidelines address use of registered apprentices and reporting on registered apprentices and trainees.

The Apprentices Guidelines are available at https://www2.gov.bc.ca/assets/gov/business/economic-development/assets/apprentices-on-public-projects/policy_and_procedure_guidelines.pdf

4 AFFORDABILITY

A key objective of the Competitive Selection Process is to achieve the Project scope while meeting the Project's Design-Build Price Ceiling requirements.

4.1 DESIGN-BUILD PRICE CEILING

The Owner has identified a mandatory price ceiling (the "Design-Build Price Ceiling") of \$139.23 million for the Nominal Cost of the Proposal. Project approvals by the Owner have been based on this Design-Build Price Ceiling.

4.2 NOMINAL COST CALCULATION

Each Proponent should calculate the Nominal Cost of the Proposal and should use the Form A1 - Breakdown of Contract Price provided by the Owner. The completed Breakdown of Contract Price and the Nominal Cost of the Proposal calculation should be submitted with the Proponent's Proposal. The Nominal Cost of the Proposal will be compared to the Design-Build Price Ceiling for evaluation purposes as described in Appendix A of this RFP.

The Breakdown of Contract Price form is available in the Data Room as "Form A1 – Breakdown of Contract Price.xls".

4.3 SCOPE LADDER

If not all of the elements of the Statement of Requirements are achievable within the Design-Build Price Ceiling, a Proponent may propose to reduce the scope of the Project by one or more of the scope items set out in an approved list (the "**Scope Ladder**"). The Scope Ladder includes items in four tiers. Proponents proposing reductions to the scope of the Project should limit their proposed reductions to items identified by the Owner in the Scope Ladder, and reductions should only be made in the following order:

- (a) tier 1 changes (items within tier 1 may be used in any order);
- (b) tier 2 changes (items within tier 2 may be used in any order but may only be used if all tier 1 items have been used);
- (c) tier 3 changes (items within tier 3 may be used in any order but may only be used if all tier 1 and tier 2 items have been used); and
- (d) tier 4 changes (items within tier 4 may be used in any order but may only be used if all tier 1, tier 2 and tier 3 items have been used).

The Scope Ladder is as follows:

Even a portion of the 66 Secure custody Inmates will have access to the centralized functions on a scheduled and escorted basis. The five management clusters include: 1) Secure Male (66 beds); 2) Medium Males (80 beds); 3) GTC (50 beds); 4) Female (6 beds); and 5) Intermittent (12 beds). 5 PROPOSAL REQUIREMENTS

5.1 PARTICIPATION AGREEMENT

As a condition of participating in this RFP each Proponent must sign and deliver to the Contact Person a Participation Agreement, substantially in the form attached as Appendix F or otherwise acceptable to the Owner, in its discretion. Proponents will not be permitted to participate in Collaborative Meetings or participate further in the Competitive Selection Process unless and until they have signed and delivered a Participation Agreement as required by this Section.

5.2 PROPOSAL FORM AND CONTENT

Proposals should be in the form and include the content described in Appendix B. Each Proponent may only submit one Technical Submission and, if invited to do so, one Financial Submission.

6 SUBMISSION INSTRUCTIONS

6.1 SUBMISSION TIMES AND SUBMISSION LOCATION

With respect to the delivery of Proposals:

- (a) **Technical Submission:** Proponents must submit the Technical Submission to the Submission Location by the Submission Time for Technical Submissions. The Technical Submission should be made up of the following:
- (1) the cover letter and all attachments to the Technical Submission as described in the Technical Submission Section of Appendix B; and
 - (2) the portion of the Proposal Requirements described in the Technical Submission Section of Appendix B.
- (b) **Financial Submission:** If invited to do so pursuant to Section 7.1, Proponents must submit the Financial Submission to the Submission Location by the Submission Time for Financial Submissions. The Financial Submission should be made up of the following:
- (1) a completed Proposal Declaration Form in the form attached as Appendix C;
 - (2) the cover letter and all attachments to the Financial Submission as described in the Financial Submission Section of Appendix B;
 - (3) the portion of the Proposal Requirements described in the Financial Submission section of Appendix B;
 - (4) if and to the extent required in order to keep the Nominal Cost of the Proposal from exceeding the Design-Build Price Ceiling, written descriptions of:
 - i. proposed amendments to the scope of the Project, made in accordance with Section 4.3; and
 - ii. amendments to the Technical Submission if reasonably required as a direct result of such scope changes.

6.2 NUMBER OF COPIES

For each of its Technical Submission and Financial Submission, a Proponent should submit five bound copies numbered 1 through 5 (one copy marked as “Master”), and one electronic copy (USB flash drive) in PDF, .DWG or Microsoft Excel 2010 format, as appropriate, with a label on each describing its contents, appropriately packaged and clearly marked “Request for Proposals for the Nanaimo

Correctional Centre Replacement Project”. For its Technical Submission, a Proponent should submit drawings according to the requirements described in Appendix B.

6.2.1 Electronic Copies

To facilitate the Owner’s evaluation, Proponents should provide the electronic copies of their Technical Submission and Financial Submission in a number of separate files. As a minimum breakdown, and with reference to Appendix B, Proponents should provide individual files for the following Proposal Requirement sections:

- (a) Entire Technical Submission
- (b) Package 1: Transmittal Package (Technical)
- (c) Package 2: Technical Submission
 - (1) Proponent Team
 - (2) Project Approach, Management and Construction
 - (3) Design and Construction
- (d) Package 3: Scored Elements
- (e) Package 4: Transmittal Package (Financial)
- (f) Package 5: Financial Submission

In addition, Proponents should provide individual files for each drawing or sketch logically organized in folders for each discipline with a reference to the specific Proposal Requirements section.

6.3 NO FAX OR EMAIL SUBMISSION

Proposals submitted by fax or email will not be accepted, except as specifically permitted in this RFP.

6.4 LANGUAGE OF PROPOSALS

Proposals should be in English. Any portion of a Proposal not in English may not be evaluated.

6.5 RECEIPT OF COMPLETE RFP

Proponents are responsible to ensure that they have received the complete RFP, as listed in the table of contents of this RFP, plus any Addenda. A submitted Proposal will be deemed to have been prepared on the basis of the entire RFP issued prior to the Submission Time for Technical Submissions. The Owner accepts no responsibility for any Proponent lacking any portion of this RFP.

6.6 ENQUIRIES

All enquiries regarding any aspect of this RFP should be directed to the Contact Person by email (each an “**Enquiry**”).

Proponents are encouraged to submit Enquiries at an early date to permit consideration by the Owner:

- (a) for Enquiries of a technical nature: prior to 14:00 Pacific Time on the day that is 10 Business Days before the Submission Time for Technical Submissions; and
- (b) for Enquiries of a financial nature: prior to 14:00 Pacific Time on the day that is 5 Business Days before the Submission Time for Financial Submissions.

The Owner may, in its discretion, decide not to respond to any Enquiry.

All Enquiries regarding any aspect of this RFP should be directed to the Contact Person by email, and the following applies to any Enquiry:

- (a) responses to an Enquiry will be in writing;
- (b) all Enquiries, and all responses to Enquiries from the Contact Person, will be recorded by the Owner;
- (c) the Owner is not required to provide a response to any Enquiry;
- (d) a Proponent may request that a response to an Enquiry be kept confidential by clearly marking the Enquiry “Commercial in Confidence” if the Proponent considers that the Enquiry is commercially confidential to the Proponent;
- (e) if the Owner decides that an Enquiry marked “Commercial in Confidence”, or the Owner’s response to such an Enquiry, must be distributed to all Proponents, then the Owner will permit the enquirer to withdraw the Enquiry rather than receive a response and if the Proponent does not withdraw the Enquiry, then the Owner may provide its response to all Proponents;
- (f) notwithstanding Sections 6.6 (d) and (e):
 - (1) if one or more other Proponents submits an Enquiry on the same or similar topic to an Enquiry previously submitted by another Proponent as “Commercial in Confidence”, the Owner may provide a response to such Enquiry to all Proponents; and
 - (2) if the Owner determines there is any matter which should be brought to the attention of all Proponents, whether or not such matter was the subject of an Enquiry, including an Enquiry marked “Commercial in Confidence”, the Owner may, in its discretion, distribute the Enquiry, response or information with respect to such matter to all Proponents.

Information offered from sources other than the Contact Person with regard to this RFP is not official, may be inaccurate, and should not be relied on in any way, for any purpose.

6.7 ELECTRONIC COMMUNICATION

Proponents should only communicate with the Contact Person by email. Other methods of communication, including telephone or fax, are discouraged. The Contact Person will not respond to any communications sent by fax.

The following provisions will apply to any email communications with the Contact Person, or the delivery of documents to the Contact Person by email where such email communications or deliveries are permitted by the terms of this RFP:

- (a) the Owner does not assume any risk or responsibility or liability whatsoever to any Proponent:
 - (1) for ensuring that any electronic email system being operated for the Owner or Partnerships BC is in good working order, able to receive transmissions, or not engaged in receiving other transmissions such that a Proponent's transmission cannot be received; or
 - (2) if a permitted email communication or delivery is not received by the Owner or Partnerships BC, or received in less than its entirety, within any time limit specified by this RFP; and
- (b) all permitted email communications with, or delivery of documents by email to, the Contact Person will be deemed as having been received by the Contact Person on the dates and times indicated on the Contact Person's electronic equipment.

6.8 ADDENDA

The Owner may, in its discretion through the Contact Person, amend this RFP at any time by issuing a written Addendum. Written Addenda are the only means of amending or clarifying this RFP, and no other form of communication whether written or oral, including written responses to Enquiries as provided by Section 6.6, will be included in, or in any way amend, this RFP. Only the Contact Person is authorized to amend or clarify this RFP by issuing an Addendum. No other employee or agent of the Owner is authorized to amend or clarify this RFP. The Owner will provide a copy of all Addenda to all Proponents.

6.9 INTELLECTUAL PROPERTY RIGHTS

- (a) Grant of Licence

Subject to Section 6.9 (b), by submitting a Proposal, each Proponent will, and will be deemed to have:

- (1) granted to the Owner a royalty-free licence without restriction to use for this Project any and all of the information, ideas, concepts, products, alternatives, processes, recommendations, suggestions and other intellectual property or trade secrets (collectively the “**Intellectual Property Rights**”) contained in the Proponent’s Proposal, or that are otherwise disclosed by the Proponent to the Owner; and
- (2) in favour of the Owner, waived or obtained, a waiver of all moral rights contained in the Proposal.

Proponents will not be responsible or liable for any use by the Owner or any sub-licensee or assignee of the Owner of any Intellectual Property Rights contained in a Proposal.

(b) Exceptions to Licence

The licence granted under Section 6.9 (a) does not extend to Third Party Intellectual Property Rights to non-specialized third-party technology and software that are generally commercially available. By submitting a Proposal, each Proponent represents to the Owner that it owns or has, and will continue to own or have at the Submission Time for Technical Submissions, all necessary rights to all Third Party Intellectual Property Rights contained in its Proposal or otherwise disclosed by the Proponent to the Owner and, subject to the foregoing exceptions, has the right to grant a licence of such Third Party Intellectual Property Rights in accordance with Section 6.9 (a).

6.10 DEFINITIVE RECORD

The electronic conformed version of the RFP in the custody and control of the Owner prevails.

6.11 AMENDMENTS TO PROPOSALS

A Proponent may:

- (a) amend any aspect of its Technical Submission by delivering written notice, or written amendments, to the Submission Location prior to the Submission Time for Technical Submissions;
- (b) amend any aspect of its Financial Submission by delivering written notice, or written amendments, to the Submission Location prior to the Submission Time for Financial Submissions; and
- (c) in its Financial Submission, amend its Technical Submission as contemplated in Section 6.1 (b).

A Proponent may not amend any aspect of its Proposal except as set out above.

6.12 CHANGES TO PROPONENT TEAMS

If for any reason a Proponent wishes or requires to add, remove or otherwise change a member of its Proponent Team after it was shortlisted by the Owner under the RFQ, or there is a material change in ownership or control (which includes the ability to direct or cause the direction of the management actions or policies of a member) of a member of the Proponent Team, or there is a change to the legal relationship among any or all of the Proponent and its Proponent Team members, then the Proponent must submit a written application to the Owner for approval, including supporting information that may assist the Owner in evaluating the change. The Owner, in its discretion, may grant or refuse an application under this Section, and in exercising its discretion the Owner will consider the objective of achieving a competitive procurement process that is not unfair to the other Proponents. For clarity:

- (a) the Owner may refuse to permit a change to the membership of a Proponent Team if the change would, in the Owner's judgement, result in a weaker team than was originally shortlisted; or
- (b) the Owner may, in the exercise of its discretion, permit any changes to a Proponent Team, including changes as may be requested arising from changes in ownership or control of a Proponent or a Proponent Team member, or changes to the legal relationship among the Proponent and/or Proponent Team members, such as the creation of a new joint venture or other legal entity or relationship in place of the Proponent Team originally shortlisted.

The Owner's approval may include such terms and conditions as the Owner may consider appropriate.

6.13 VALIDITY OF PROPOSALS

By submitting a Proposal, each Proponent agrees that:

- (a) its Proposal, including all prices and input costs, will remain fixed and irrevocable from the Submission Time for Financial Submissions until midnight at the end of the 120th day following the Submission Time for Financial Submissions (the "**Proposal Validity Period**"); and
- (b) after the expiry of the Proposal Validity Period, all prices and input costs in its Proposal may not be adjusted unless the Proponent provides notice to the Owner of any proposed adjustment and demonstrates to the satisfaction of the Owner that the Proponent has used its best efforts to continue to maintain the prices and input costs firm and valid, but that despite such best efforts, the specified adjustments to the prices and input costs are required solely as a direct result of one or more events that:
 - (1) are external to the Proponent and the Proponent Team members;
 - (2) could not have been prevented by, and are beyond the control of, the Proponent and any of its Proponent Team members; and

- (3) constitute a material adverse change to the conditions underlying the prices and input costs that are subject to the adjustment.

A Proponent may indicate in its Proposal a Proposal Validity Period that exceeds 120 days.

6.14 MATERIAL CHANGE AFTER SUBMISSION TIME FOR FINANCIAL SUBMISSIONS

A Proponent will give immediate notice to the Owner of any material change that occurs to a Proponent after the Submission Time for Financial Submissions, including a change to its membership or a change to the Proponent's financial capability.

6.15 ACCEPTABLE EQUIVALENTS

The Statement of Requirements is intended to generally be performance-based, but includes in some instances specific requirements related to design and construction, such as room types and sizes, adjacencies, access requirements, products, materials, equipment and building systems (including structural, foundation, mechanical (HVAC), information technology and electrical) that the Owner considers are important to meet the Owner's objectives. However, the Owner wishes to provide some flexibility for Proponents to propose equivalent alternatives that when considered by the Owner, in its discretion, continue to meet the Owner's objectives (each an "**Acceptable Equivalent**").

A Proponent may submit an Enquiry marked "Commercial in Confidence – Acceptable Equivalent" that identifies the applicable section(s) in the Statement of Requirements that contains the requirement(s) and the Proponent's proposed equivalent that it considers will be equal to or better than the specified requirement(s) and that will still meet the Owner's objectives, along with supporting materials. The Owner may, in its discretion, request clarification, further information or additional supporting materials for the proposed equivalent.

The Owner may, in its discretion:

- (a) respond to indicate that the proposed equivalent is acceptable;
- (b) respond to indicate that the proposed equivalent is acceptable subject to the Proponent's compliance with any conditions identified by the Owner;
- (c) respond to indicate that the Owner does not consider the proposed equivalent to be acceptable;
- (d) request clarification, further information or additional material;
- (e) not respond to the Enquiry; or
- (f) provide any other response in accordance with Section 6.6.

The provisions of Section 6.6 relating to “Commercial in Confidence” Enquiries will apply, including with respect to withdrawal of an Enquiry, Enquiries by more than one Proponent on the same or similar topics, or the Owner’s determination if there is a matter which should be brought to the attention of all Proponents.

If the Owner responds to a “Commercial in Confidence – Acceptable Equivalent” Enquiry, or responds to any Enquiry that is not “Commercial in Confidence”, regarding a proposed equivalent to indicate that the proposed equivalent is acceptable, a Proponent may make its Technical Submission on the basis of the response, and the use of the acceptable equivalent will not in and of itself be a failure to meet the requirements set out in Appendix A.

Unless the Owner responds to indicate that a proposed equivalent is acceptable, a Proponent is at risk that the use of a proposed equivalent will not substantially meet the requirements set out in Appendix A and that the Owner may not invite the Proponent to provide a Financial Submission.

The Owner will be under no obligation to provide the indication of acceptability of the proposed equivalent to the Proponent or to any other Proponent.

Despite any indication by the Owner of the acceptability of an equivalent, the Design-Builder remains responsible for fulfilling all of its obligations and responsibilities under the Design-Build Agreement.

Following selection of the Preferred Proponent, the Design-Build Agreement will, in accordance with Section 8.2, be amended to include all acceptable equivalents used by that Preferred Proponent, or negotiated by the Owner and the Preferred Proponent, whether or not proposed by any other Proponent.

7 EVALUATION

7.1 MANDATORY REQUIREMENTS

The Owner has determined that the following are the Mandatory Requirements:

- (a) the Proponent must have signed and delivered to the Contact Person the Participation Agreement in accordance with Section 5.1;
- (b) the Technical Submission must be received at the Submission Location before the Submission Time for Technical Submissions and the Financial Submission must be received at the Submission Location before the Submission Time for Financial Submissions;
- (c) the Nominal Cost of the Proposal as at the Submission Time for Financial Submissions must not exceed the Design-Build Price Ceiling; and
- (d) Proponents proposing reductions to the scope of the Statement of Requirements must do so in accordance with Section 4.3.

Subject to the following paragraph, the Owner will reject a Proposal that fails to meet the Mandatory Requirements.

Subject to Section 7.2, the Owner reserves the right to evaluate any Proposal where the Scope Ladder has been exhausted and the Design-Build Price Ceiling requirements have not been met, but will do so only in the event that the Proposals received from all the Proponents do not meet the Design-Build Price Ceiling requirement as per Section 7.1 (c) above.

7.2 EVALUATION OF PROPOSALS

The Owner will evaluate Proposals in the manner set out in Appendix A. The Owner will not evaluate a Proposal if it has been rejected, or if the applicable Proponent has been disqualified, in accordance with this RFP.

The Owner may, in its discretion, take any one or more of the following steps, at any time and from time to time, in connection with the review and evaluation, including ranking, of any aspect of a Proposal, including if the Owner considers that any Proposal, including the Technical Submission or the Financial Submission, or any part of a Proposal, requires clarification or more complete information, contains defects, ambiguities, alterations, qualifications, omissions, inaccuracies or misstatements, or does not for any reason whatsoever satisfy the Owner that the Proposal meets any requirements of this RFP at any time, or for any other reason the Owner, in its discretion, deems appropriate and in the interests of the Owner and this RFP, or either of them:

- (a) waive any such defect, ambiguity, alteration, qualification, omission, inaccuracy, misstatement or failure to satisfy, and any resulting ineligibility on the part of the Proponent, or any member of the Proponent Team;
- (b) independently consider, investigate, research, analyze, request or verify any information or documentation whether or not contained in any Proposal;
- (c) request interviews or presentations with any, all or none of the Proponents to clarify any questions or considerations based on the information included in Proposals during the evaluation process, with such interviews or presentations conducted in the discretion of the Owner, including the time, location, length and agenda for such interviews or presentations;
- (d) conduct reference checks relevant to the Project with any or all of the references cited in a Proposal and any other persons (including persons other than those listed by Proponents in any part of their Proposals) to verify any and all information regarding a Proponent, inclusive of its directors/officers and Key Individuals, and to conduct any background investigations that it considers necessary in the course of the Competitive Selection Process, and rely on and consider any relevant information from such cited references in the evaluation of Proposals;
- (e) conduct credit, criminal record, litigation, bankruptcy, taxpayer information and other checks;
- (f) not proceed to review and evaluate, or discontinue the evaluation of any Proposals, including any Technical Submission or Financial Submission, and disqualify the Proponent from this RFP; and
- (g) seek clarification or invite more complete, supplementary, replacement or additional information or documentation from any Proponent or in connection with any Proposal, including with any Technical Submission or Financial Submission or any part of their component packages.

Without limiting the foregoing or Appendix A, the Owner may, in its discretion (and without further consultation with the Proponent), reject any Proposal which in the opinion of the Owner: (i) is materially incomplete or irregular; (ii) contains omissions, exceptions or variations (including any modifications, changes or additions to the Final Draft Design-Build Agreement, other than as provided for in Sections 4.3 or 8.2) not acceptable to, or material to, the Owner; (iii) contains any false or misleading statement, claims or information; or (iv) contains any false statements, criminal affiliations or activities by a Proponent or Proponent Team member.

To enable the Owner to take any one or more of the above-listed steps, the Owner may enter into separate and confidential communications of any kind whatsoever, with any person, including any Proponent. The Owner has no obligation whatsoever to take the same steps, or to enter into the same or any communications in respect of all Proponents and Proposals, or in respect of any Proponent, including the Proponent whose Proposal is the subject of the review or evaluation, as the case may be.

The review and evaluation, including the scoring and ranking, of any Proposal may rely on, take into account and include any information and documentation, including any clarification, more complete, supplementary and additional or replacement information or documentation, including information and documentation obtained through any of the above-listed investigations, research, analyses, checks and verifications.

Proponents may not submit any clarifications, information or documentation in respect of the Technical Submission after the Submission Time for Technical Submissions and in respect of the Financial Submission after the Submission Time for Financial Submissions, without the prior written approval of the Owner or without an invitation or request by the Owner.

If any information, including information as to experience or capacity, contained in a Proposal is not verified to the Owner's satisfaction, the Owner may, in its discretion, not consider such cited experience, capacity or other information.

The Owner is not bound by industry custom or practice in taking any of the steps listed above, in exercising any of its discretions, in formulating its opinions and considerations, exercising its discretions in making any decisions and determinations, or in discharging its functions under or in connection with this RFP, or in connection with any Proponent, Proposal, or any part of any Proposal, including any Technical Submission or Financial Submission.

As part of the evaluation of a Technical Submission, the Owner may identify that the Owner is not satisfied that the Technical Submission meets one or more requirements of the Final Draft Design-Build Agreement. The Owner may, but is not required to, reject that Proposal in accordance with the terms of this RFP. If the Owner does not exercise its discretion to reject the Proposal, the Owner may provide to the Proponent a list of the items that the Owner is not satisfied meet the requirements of the Final Draft Design-Build Agreement. The Proponent will, if selected as Preferred Proponent, be required to comply with the requirements of the Final Draft Design-Build Agreement, including by rectifying any non-compliances (material or otherwise) in its Proposal. By submitting its Financial Submission, a Proponent that has received such a list will be deemed to have agreed to comply with the requirements of the Final Draft Design-Build Agreement, including by rectifying any non-compliances (material or otherwise) in its Proposal.

If the Owner identifies that the Proponent's energy model does not reflect the Technical Submission, or does not meet the requirements of the RFP, including the Final Draft Design-Build Agreement, the Owner may, prior to the Financial Submission, require a Proponent to re-submit the energy model with supporting documentation acceptable to the Owner. The Owner may, in its discretion, exchange written documentation with the Proponent regarding the evaluation of the Proponent's energy model, or may require a meeting with the Proponent. The process will be repeated until the energy model is acceptable to the Owner.

The Owner is not responsible for identifying all areas in which a Technical Submission does not meet the requirements of the Final Draft Design-Build Agreement. Irrespective of whether the Owner has identified or has failed to identify any such areas, a Proponent is not relieved in any way from meeting the requirements of this RFP, and if selected as Preferred Proponent will not be relieved from meeting all requirements of the Final Draft Design-Build Agreement, including by rectifying any non-compliances (material or otherwise) in its Proposal.

The Owner will, subject to the provisions of this RFP, invite each Proponent that has delivered a Technical Submission that has not been rejected to submit a Financial Submission.

8 SELECTION OF PREFERRED PROPONENT AND AWARD

8.1 SELECTION AND AWARD

If the Owner selects a Preferred Proponent, the Proponent with the highest ranked Proposal will be selected as the Preferred Proponent, and the Owner will invite the Preferred Proponent to enter into final discussions to settle all terms of the Design-Build Agreement, based on the Preferred Proponent's Proposal, including any clarifications that the Preferred Proponent may have provided during the evaluation of Proposals.

If for any reason the Owner determines that it is unlikely to reach final agreement with the Preferred Proponent, then the Owner may terminate the discussions with the Preferred Proponent and proceed in any manner that the Owner may decide, in consideration of its own best interests, including:

- (a) terminating the procurement process entirely and proceeding with some or all of the Project in some other manner, including using other contractors; or
- (b) inviting one of the other Proponents to enter into discussions to reach final agreement for completing the Project.

Any final approvals required by the Owner, such as from the Province, will be conditions precedent to the final execution or commencement of the Design-Build Agreement.

8.2 FINAL DRAFT DESIGN-BUILD AGREEMENT

It is the intention of the Owner that:

- (a) any issues with respect to the Initial Draft Design-Build Agreement will be discussed during the Collaborative Meetings and fully considered prior to issuance of the Final Draft Design-Build Agreement; and
- (b) once issued, the Final Draft Design-Build Agreement will not be further substantively modified and will be executed by the Preferred Proponent without further substantive amendment, except for changes, modifications and additions:
 - (1) relating to the determination by the Owner, in its discretion, of which:
 - i. parts, if any, of the Proposal are to be incorporated by reference or otherwise into the Design-Build Agreement, or otherwise pursuant to express provisions of the Design-Build Agreement; or
 - ii. modifications, changes or additions, if any, requested by a Proponent pursuant to Section 4.3 that are acceptable to the Owner;

- (2) to those provisions or parts of the Final Draft Design-Build Agreement that are indicated as being subject to completion or finalization, or which the Owner determines, in its discretion, require completion or finalization, including provisions that require:
- i. modification or the insertion or addition of information relating to the formation of the Design-Builder (e.g., corporate, partnership or trust structure) and funding structure; and
 - ii. modification or the insertion or addition of information in order to reflect accurately the nature of the Design-Builder's relationships with its principal subcontractors (including each of the project contractors);
- (3) required by the Owner to complete, based on the Proposal, any provision of the Final Draft Design-Build Agreement, including changes, modifications and additions contemplated in or required under the terms of the Final Draft Design-Build Agreement;
- (4) that are necessary to create or provide for a legally complete, enforceable and binding agreement;
- (5) that enhance clarity in legal drafting; or
- (6) that reflect Acceptable Equivalents in accordance with Section 6.15.

The Owner also reserves the right, in its discretion, to negotiate changes to the Final Draft Design-Build Agreement and to the Preferred Proponent's Proposal.

Upon Contract Execution, the Design-Build Agreement, and the instruments and documents to be executed and delivered pursuant to it, supersede (except as expressly incorporated therein) the RFP and the Proposal submitted in respect of the Design-Builder.

8.3 PREFERRED PROPONENT SECURITY DEPOSIT

Subject to the terms of this RFP:

- (a) the Owner will invite the Preferred Proponent to deliver the Preferred Proponent Security Deposit on or before the date and time specified by the Owner, such date not to be earlier than 5 Business Days after notification of the appointment of the Preferred Proponent; and
- (b) the Preferred Proponent's eligibility to remain the Preferred Proponent is conditional upon the Preferred Proponent delivering the Preferred Proponent Security Deposit to the Owner on or before the date and time specified by the Owner.

8.4 RETURN OF SECURITY DEPOSIT

Subject to Section 8.5, the Owner will return the Preferred Proponent Security Deposit to the Preferred Proponent:

- (a) within 10 Business Days after receipt by the Owner of notice of demand from the Preferred Proponent, if:
 - (1) the Owner exercises its right under Section 10.1 to terminate this RFP prior to entering into the Design-Build Agreement for reasons unrelated to the Preferred Proponent or any member of the Preferred Proponent's Proponent Team; or
 - (2) the Owner fails, within the Proposal Validity Period, to execute and deliver an agreement substantially in the form of the Final Draft Design-Build Agreement finalized by the Owner in accordance with Section 8.2, provided that such failure is not the result of:
 - i. the failure of the Preferred Proponent to satisfy any conditions set out in the Final Draft Design-Build Agreement; or
 - ii. any extensions to the Proposal Validity Period arising from any agreement by the Owner to negotiate changes to the Final Draft Design-Build Agreement pursuant to Section 8.2; or
- (b) within 10 Business Days after Contract Execution with such Preferred Proponent.

8.5 RETENTION OF SECURITY DEPOSIT

Notwithstanding any receipt by the Owner of the notice described in Section 8.4, the Owner may, in its discretion, draw on, retain and apply the proceeds of the Preferred Proponent Security Deposit for the Owner's own use as liquidated damages, if:

- (a) the Proponent or any Proponent Team member is in material breach of any term of this RFP or the Participation Agreement; or
- (b) after receipt of written notice from the Owner:
 - (1) the Preferred Proponent fails to execute and deliver an agreement substantially in the form of the Final Draft Design-Build Agreement finalized by the Owner in accordance with Section 8.2; or
 - (2) Contract Execution fails to occur within 30 days (or such longer period as the parties may agree) of receipt of such notice from the Owner,

unless:

- (3) any such failure was the result of a significant event which could not have been reasonably prevented by, or was beyond the reasonable control of, the Preferred Proponent; and
- (4) the Preferred Proponent demonstrates to the Owner's satisfaction, acting reasonably, that the occurrence of such significant event would materially frustrate or render it impossible for the Preferred Proponent to perform its obligations under the Design-Build Agreement for a continuous period of 180 days as if the Design-Build Agreement was in force and effect.

8.6 PARTIAL COMPENSATION FOR PARTICIPATION IN THIS RFP

Upon execution of the Design-Build Agreement, the Owner will pay \$500,000 (inclusive of any GST payable) to each unsuccessful Proponent that:

- (a) complied with the Mandatory Requirements;
- (b) received an invitation to submit a Financial Submission;
- (c) has not withdrawn from the Competitive Selection Process or been disqualified by the Owner in accordance with the terms of this RFP; and
- (d) provides to the Owner written acknowledgment of:
 - (1) the disclaimers, limitations and waivers of liability and claims contained in this RFP, including Section 10.13; and
 - (2) the grant of Intellectual Property Rights to the Owner and waiver of moral rights pursuant to Section 6.9.

If the Owner exercises its right under Section 10.1 to terminate the RFP process prior to entering into the Design-Build Agreement with a Proponent, the Owner will pay to each Proponent that satisfies the requirements (to the extent applicable) set out in (a) – (d) above, the lesser of:

- (a) \$500,000 (inclusive of any taxes payable); and
- (b) the substantiated out-of-pocket costs reasonably incurred by the Proponent in preparing its Proposal,

provided that if the Owner exercises such rights after the selection of a Preferred Proponent, the Preferred Proponent must have delivered the Preferred Proponent Security Deposit in accordance with Section 8.3 to be entitled to receive any such payment.

In determining whether to make available the partial compensation described in this Section 8.6, the Owner will consider the potential value of obtaining the licence to the Owner of rights to the Intellectual Property Rights and the waiver of moral rights pursuant to Section 6.9. Accordingly, the Owner may, in its discretion, offer to pay up to \$500,000 (inclusive of any taxes payable) to a Proponent that is not

otherwise entitled to payment under this Section 8.6 on conditions established by the Owner, in its discretion. The conditions may include the Owner reviewing the Intellectual Property Rights (such as for a Proposal that was returned) and being satisfied with the value of such rights and the Proponent entering into an agreement with the Owner granting licence rights to the Owner. Such offer and resulting arrangements will not be governed by this RFP.

8.7 DEBRIEFS

The Owner will, following Contract Execution, upon request from a Proponent within 60 days of Contract Execution, conduct a debriefing for that Proponent.

9 CONFLICT OF INTEREST AND RELATIONSHIP DISCLOSURE

9.1 RESERVATION OF RIGHTS TO DISQUALIFY

The Owner reserves the right to disqualify any Proponent that in the Owner's opinion has a conflict of interest or an unfair advantage (including access to any confidential information not available to all Proponents), whether real, perceived, existing now or likely to arise in the future, or may permit the Proponent to continue and impose such conditions as the Owner may consider to be in the public interest or otherwise required by the Owner.

9.2 RELATIONSHIP DISCLOSURE

Each Proponent, including each member of the Proponent Team, should fully disclose all relationships they may have with the Owner, any Restricted Party, or any other person providing advice or services to the Owner with respect to the Project or any other matter that gives rise, or might give rise, to a conflict of interest or an unfair advantage:

- (a) by submission of completed Relationship Disclosure Forms with its Proposal; and
- (b) at any time during the Competitive Selection Process by written notice addressed to the Contact Person promptly after becoming aware of any such relationship.

At the time of such disclosure, the Proponent will include sufficient information and documentation to demonstrate that appropriate measures have been, or will be, implemented to mitigate, minimize or eliminate the actual, perceived or potential conflict of interest or unfair advantage, as applicable. The Proponent will provide such additional information and documentation and implement such additional measures as the Owner or the Conflict of Interest Adjudicator (the "**COI Adjudicator**") may require, in its discretion, in connection with the consideration of the disclosed relationship and proposed measures.

9.3 USE OR INCLUSION OF RESTRICTED PARTIES

The Owner may, in its discretion, disqualify a Proponent, or may permit a Proponent to continue and impose such conditions as the Owner may consider to be in the public interest or otherwise required by the Owner, if the Proponent is a Restricted Party, or if the Proponent uses a Restricted Party:

- (a) to advise or otherwise assist the Proponent respecting the Proponent's participation in the Competitive Selection Process; or
- (b) as a Proponent Team member or as an employee, advisor or consultant to the Proponent or a Proponent Team member.

Each Proponent is responsible to ensure that neither the Proponent nor any Proponent Team member uses or seeks advice or assistance from any Restricted Party, or includes any Restricted Party in the Proponent Team.

This is not an exhaustive list of Restricted Parties. Additional persons may be added to, or deleted from, the list during any stage of the Competitive Selection Process through an Addendum.

9.5 CONFLICT OF INTEREST ADJUDICATOR

The Owner has appointed a COI Adjudicator to provide decisions on conflicts of interest, unfair advantage or exclusivity issues, including whether any person is a Restricted Party. The Owner may, at its discretion, refer matters to the COI Adjudicator.

9.6 REQUEST FOR ADVANCE DECISION

A Proponent or a prospective member or advisor of a Proponent who has any concerns regarding whether a current or prospective employee, advisor or member of that Proponent is, or may be, a Restricted Party, or has a concern about any conflict or unfair advantage it may have, is encouraged to request an advance decision by submitting to the Contact Person, not less than 10 Business Days prior to the Submission Time for Technical Submissions, by email, the following information:

- (a) names and contact information of the Proponent and the person for which the advance opinion is requested;
- (b) a description of the relationship that raises the possibility or perception of a conflict of interest or unfair advantage;
- (c) a description of the steps taken to date, and future steps proposed to be taken, to mitigate the conflict of interest or unfair advantage, including the effect of confidential information; and
- (d) copies of any relevant documentation.

The Owner may make an advance decision or may refer the request for an advance decision to the COI Adjudicator. If the Owner refers the request to the COI Adjudicator, the Owner may make its own submission to the COI Adjudicator.

If a Proponent or prospective team member or advisor becomes a Restricted Party, it may be listed in an Addendum or in subsequent Competitive Selection Process documents as a Restricted Party.

9.7 THE OWNER MAY REQUEST ADVANCE DECISIONS

The Owner may also independently make advance decisions, or may seek an advance decision from the COI Adjudicator, where the Owner identifies a potential conflict, unfair advantage, or a person who may be a Restricted Party. The Owner will, if it seeks an advance decision from the COI Adjudicator, provide the COI Adjudicator with relevant information in its possession. If the Owner seeks an advance decision from the COI Adjudicator, the Owner will give notice to the Proponent, and may give notice to the possible Restricted Party so that it may make its own response to the COI Adjudicator.

The onus is on the Proponent to clear any potential conflict, unfair advantage, or Restricted Party, or to establish any conditions for continued participation, and the Owner may require that the Proponent make an application under Section 9.6.

9.8 DECISIONS FINAL AND BINDING

The decision of the Owner or the COI Adjudicator, as applicable, is final and binding on the persons requesting the ruling and all other parties including Proponents, Proponent Team members and the

Owner. The Owner or the COI Adjudicator, as applicable, has discretion to establish the relevant processes from time to time, including any circumstances in which a decision may be amended or supplemented.

The Owner may provide any decision by the Owner or the COI Adjudicator regarding conflicts of interest to all Proponents if the Owner, in its discretion, determines that the decision is of general application.

9.9 SHARED USE

A Shared Use Person is a person identified by the Owner as eligible to do work for more than one Proponent, including a person who has unique or specialized information or skills such that the Owner considers, in its discretion, their availability to all Proponents to be desirable in the interests of the Competitive Selection Process. Any Shared Use Person will be required to agree not to enter into exclusive arrangements with any Proponent.

No Shared Use Persons have been identified for this Project.

9.10 EXCLUSIVITY

Unless permitted by the Owner, in its discretion, or permitted as a Shared Use Person, each Proponent will ensure that no member of its Proponent Team, or any Affiliated Person of any member of its Proponent Team, participates as a member of any other Proponent Team.

If a Proponent contravenes the foregoing, the Owner reserves the right to disqualify the Proponent or may permit the Proponent to continue and impose such conditions as may be required by the Owner. Each Proponent is responsible, and bears the onus, to ensure that the Proponent, its Proponent Team members and their respective Affiliated Persons do not contravene the foregoing.

A Proponent or a prospective Proponent Team member who has any concerns regarding whether participation does or will contravene the foregoing is encouraged to request an advance decision in accordance with this Section through the following process:

- (a) to request an advance decision on matters related to exclusivity, the Proponent or prospective Proponent Team member should submit to the Contact Person, not less than 10 Business Days prior to the Submission Time for Technical Submissions by email, the following information:
 - (1) names and contact information of the Proponent or prospective Proponent Team member making the disclosure;
 - (2) a description of the relationship that raises the possibility of non-exclusivity;

- (3) a description of the steps taken to date, and future steps proposed to be taken, to mitigate any material adverse or potential material adverse effect of the non-exclusivity on the competitiveness or integrity of the Competitive Selection Process; and
- (4) copies of any relevant documentation.

The Owner may require additional information or documentation to demonstrate to the satisfaction of the Owner, in its discretion, that no such non-exclusivity exists or, if it does, that measures satisfactory to the Owner, in its discretion, have been or will be implemented to eliminate or mitigate any risk to the competitiveness or integrity of the Competitive Selection Process.

9.10.1 Exclusivity – the Owner May Request Advance Decisions

The Owner may also independently make advance decisions, or may seek an advance decision from the COI Adjudicator, where the Owner identifies a matter related to exclusivity. The Owner will, if it seeks an advance decision from the COI Adjudicator, provide the COI Adjudicator with relevant information in its possession. If the Owner seeks an advance decision from the COI Adjudicator, the Owner will give notice to the Proponent so that it may make its own response to the COI Adjudicator.

The onus is on the Proponent to clear any matter related to exclusivity or to establish any conditions for continued participation, and the Owner may require that the Proponent make an application under Section 9.10.

9.10.2 Exclusivity – Decisions Final and Binding

The decision of the Owner or the COI Adjudicator, as applicable, is final and binding on the persons requesting the ruling and all other parties including Proponents, Proponent Team members and the Owner. The Owner or the COI Adjudicator, as applicable, has discretion to establish the relevant processes from time to time, including any circumstances in which a decision may be amended or supplemented.

The Owner may provide any decision by the Owner or the COI Adjudicator regarding matters related to exclusivity to all Proponents if the Owner, in its discretion, determines that the decision is of general application.

10 RFP TERMS AND CONDITIONS

10.2 NO CONTRACT

Other than to the extent provided in the Participation Agreement, this RFP is not a contract between the Owner and any Proponent, nor is this RFP an offer or an agreement to purchase work, goods or services. No contract of any kind for work, goods or services whatsoever is formed under, or arises from this RFP, or as a result of, or in connection with, the submission of a Proposal, unless the Owner and the Preferred Proponent execute and deliver the Design-Build Agreement, and then only to the extent expressly set out in the Design-Build Agreement.

All documents and other records in the custody of, or under the control of, the Owner are subject to the Freedom of Information and Protection of Privacy Act (“FOIPPA”) and other applicable legislation.

By submitting a Proposal, the Proponent represents and warrants to the Owner that the Proponent has complied with applicable Laws, including by obtaining from each person any required consents and authorizations to the collection of information relating to such individual and to the submission of such information to the Owner and the use, distribution and disclosure of such information as part of the Proposal for the purposes of, or in connection with, this RFP and the Competitive Selection Process.

10.4 COST OF PREPARING THE PROPOSAL

Subject to Section 8.6, each Proponent is solely responsible for all costs it incurs in the preparation of its Proposal, including all costs of providing information requested by the Owner, attending meetings, and conducting due diligence.

10.5 CONFIDENTIALITY OF INFORMATION

Subject to the confidentiality conditions in Schedule 1 of the Participation Agreement, all information pertaining to the Project received by any Proponent or Proponent Team member through participation in this RFP is confidential and may not be disclosed without written authorization from the Contact Person, and in no event will a Proponent discuss the Project with any member of the public or the media without

the prior written approval of the Owner. Except as expressly stated in this RFP, and subject to FOIPPA or other applicable legislation, all documents and other records submitted in response to this RFP will be considered confidential; however, such information or parts thereof may be released pursuant to requests under FOIPPA or other applicable legislation.

The Owner has engaged Partnerships BC. 10.6 GENERAL RESERVATION OF RIGHTS

The Owner reserves the right, in its discretion, to:

- (a) amend the scope of the Project and/or modify, cancel or suspend the Competitive Selection Process at any time for any reason;

- (c) reject a Proposal that fails to meet the Mandatory Requirements;
- (d) waive a defect, irregularity, non-conformity or non-compliance in or with respect to a Proposal or failure to comply with the requirements of this RFP except for Mandatory Requirements (but subject to the Owner’s right with respect to the Design-Build Price Ceiling requirement as set out in Section 7.1), and accept that Proposal even if such a defect, irregularity, non-conformity or non-compliance or failure to comply with the requirements of this RFP would otherwise render the Proposal null and void;
- (e) reject, disqualify or not accept any or all Proposals without any obligation, compensation or reimbursement to any Proponent or any of its team members subject to any payment required pursuant to Section 8.6;
- (f) re-advertise for new Proposals to this or a modified RFP, call for quotes, proposals or tenders, or enter into negotiations for this Project or for work of a similar nature;

By submitting a Proposal, a Proponent, on its own behalf and as authorized agent of each firm, corporation or individual member of the Proponent and Proponent Team, represents and confirms to the Owner, with the knowledge and intention that the Owner may rely on such representation and confirmation, that its Proposal has been prepared without collusion or fraud, and in fair competition with Proposals from other Proponents.

10.8 NO LOBBYING

Proponents, Proponent Team members, and their respective directors, officers, employees, consultants, agents, advisors and representatives will not engage in any form of political or other lobbying whatsoever in relation to the Project, this RFP, or the Competitive Selection Process, including for the purpose of influencing the outcome of the Competitive Selection Process. Further, no such person (other than as expressly contemplated by this RFP) will attempt to communicate in relation to the Project, this RFP, or the Competitive Selection Process, directly or indirectly, with any representative of the Owner, the Government of British Columbia (including any Minister or Deputy Minister, any member of the Executive Council, any Members of the Legislative Assembly), any Restricted Parties, or any director, officer, employee, agent, advisor, consultant or representative of any of the foregoing, as applicable, for any purpose whatsoever.

In the event of any lobbying or communication in contravention of this Section, the Owner, in its discretion, may at any time, but will not be required to, reject any and all Proposals submitted by that Proponent without further consideration and the Proponent will not be eligible for, or receive, the partial compensation as set out in Section 8.6.

- (b) it will notify the Owner of any and all requests for information or interviews received from the media; and
- (c) it will ensure that all of the Proponent Team members and others associated with the Proponent comply with the requirements of this RFP.

10.11 FAIRNESS REVIEWER

The Owner has appointed John R. Singleton, Q.C. (the "**Fairness Reviewer**") to monitor the Competitive Selection Process. The Fairness Reviewer will act as an independent observer of the fairness of the implementation of the Competitive Selection Process, up to the selection of a Preferred Proponent. The Fairness Reviewer will provide a written report to the Owner that the Owner will make public.

The Fairness Reviewer will be:

- (a) provided with full access to all documents, meetings and information related to the evaluation processes under this RFP that the Fairness Reviewer, in its discretion, decides is required; and

10.13 LIMITATION OF DAMAGES

Each Proponent on its own behalf and on behalf of the Proponent Team and any member of a Proponent Team:

- (a) agrees not to bring any Claim against the Owner or any of its employees, advisors or representatives for damages in excess of the amount equivalent to the reasonable costs incurred by the Proponent in preparing its Proposal for any matter in respect of this RFP or Competitive Selection Process, including:
- (1) if the Owner accepts a non-compliant proposal or otherwise breaches, or fundamentally breaches, the terms of this RFP or the Competitive Selection Process; or

APPENDIX L ENERGY CONSERVATION

1. Energy Consumption

The Owner wishes to incentivize reduction of the energy consumption of the Facility below the Owner's maximum Design and Construction Energy Target (DCET) of 2,347 MWh per year specified in the Design-Build Agreement.

Proponents will submit a calculated Design and Construction Energy Target in MWh per year that reflects the anticipated performance of their design. For the purposes of Appendix A, the Owner will review and calculate the potential estimated net saving based on the performance and quality of the Proponent's Design and Construction Energy Target.

FORMULA DEFINITION

Conceptually the calculation is summarized as shown below:

$$(6) \text{ Cost Adjustment (\$)} = \text{NPV}_{30 \text{ year}} (\text{DCET}) - \text{NPV}_{30 \text{ year}} (\text{DCET}_{\text{Proponent}})$$

The Owner has developed the maximum Design and Construction Energy Target that will be used in the calculation above based on the indicative design and has achieved the minimum energy performance requirements set out in Schedule 3 [Design and Construction Specifications] using the same assumptions below.

ASSUMPTIONS

The following assumptions will be used consistently for all calculations:

(e) $i = 5\%$

(f) $N = 360$ (where each period is one month)

(g) Energy Costs:

(1) Initial unit rate for electrical = BC Hydro Large General Service (July 1, 2019)

- i. Basic Charge: \$ 0.2673 /day
- ii. Demand Charge: \$ 12.34 /kW
- iii. Energy Charge: \$ 0.0606 /kWh
- iv. Monthly Minimum Charge: Equal to 50% of the highest Demand Charge during the previous November 1 to March 31 period. The Basic Charge, Energy Charge, and Demand Charge are replaced by the Minimum Charge if their sum is less than this amount

v. 12% GST and PST

(2) Initial unit rate for natural gas = Fortis BC, Vancouver Island Service Area Rate 3 (July 1, 2019)

i. Basic charge: \$4.7895 /day

ii. Delivery charge: \$2.950 /GJ

iii. Storage and transport charge: \$1.226 /GJ

iv. Cost of gas: \$1.549 /GJ

v. Carbon tax: \$1.9864 /GJ

vi. 12% GST and PST

(3) **e** (the escalation rate (or indexation) assumed for all energy unit costs) = 3% per year.
